

Thank you for your interest in a hiking tour with Friends of Nike Site Summit. At this time all the hikes for this season are fully subscribed. It is unlikely more will be scheduled for this season, but we do expect to offer hiking tours again next season. To get on the e-mail list to be notified about those tours, please e-mail fonss2007@gmail.com, with the subject line "Hiking Tours" and we will send you information as it becomes available.

Hikes Highlights

Cold War Secrets of Kincaid Park – Ages 10+. Starting at the Kincaid Chalet, this is a 2.75 mile strenuous hike using unpaved and paved paths with numerous ups and downs. We visit structures remaining from when Kincaid Park was Site Point Nike Missile Site. Where the structures no longer exist, veterans and guides tell the story of the Cold War in Alaska. Wildlife and stinging insects are commonly encountered, so please come prepared. The hike is scheduled to last 3 hours.

Nike Site Summit Hike – Ages 13+. Starting at the Arctic Valley Ski Area Lower Parking Lot, this is 5 mile very strenuous hike with a vertical change in elevation of approximately 1,400 feet ascending and descending. Each participant is required to provide their own food and water (minimum 32 ounces). Conditions permitting, we visit structures on both the Lower and Upper Sites which FONSS and JBER have restored from when this area was Site Summit Nike Missile Site. The hike is scheduled to last approximately 4.5 hours.
